Sellers will be charged a fee of 50¢ per lot and they must donate 5% of the prices realized to the philatelic club or organization of their choice. This is a fund-raising event to benefit local stamp clubs in Southern California.

Lots will be accepted beginning at Inturpex on May 4, 2019. Lots must be delivered on or before Friday, July 12, 2019.

A complete list of lots will be available on the internet and in print before the sale itself.
